

Renée Loux Short BIO - Version No. 2

Renée Loux, dubbed the "Queen of Green" and oft-called a Green Guru, is an author, chef, restaurateur, eco-consultant, television host of *It's Easy Being Green* and columnist for *Women's Health*. Eco-advisor to myriad businesses and board member of several, Renée collaborated with Exhale Spas to design and formulate GRN, an eco-conscious and mindfully designed skin care line. Author of several books, including the definitive guide, *Easy Green Living*, and the Gourmand Award-winning *The Balanced Plate* and *Living Cuisine*, Renée is a regular guest on NBC's *Today Show*, *Extra*, *Inside Edition* and countless other media outlets, sharing her expertise on organic food, beauty and green lifestyle. Renée lives in Maui, Hawaii with her husband, Shep Gordon, in a house on the beach powered by solar energy.
